

Pherocon® Delta VI

Assembly Instructions

TRAP ASSEMBLY INSTRUCTIONS

1. Straighten wire that is wrapped around trap.
2. Pull center of trap down to form a triangle.
3. Fold one end of the trap inward until tabs lock into slots.
4. Open glued liner. Holding Trece logo, place liner in trap as shown.
5. Place lure on its side in center of glued liner.
6. Fold open end of trap inward until tabs lock into slots as shown in step three. Trap is now complete and ready to hang.

IMPORTANT: USE ONLY ONE LURE PER TRAP
